Assessment of Eligibility for School Fee Remission

1. As per the criteria of the SFO, the school will use the “Adjusted Family Income” (AFI) mechanism to assess the eligibility and the assistance level of the applicant. The AFI mechanism is based on the following formula:

$$\text{AFI} = \frac{\text{Gross annual income of the family}}{\text{Number of family members} + (1)}$$

2. Gross annual income of the family includes the annual income of the applicant and his/her spouse; 30% of the annual income of unmarried child / children residing with the family if applicable; and the contribution from relatives / friends if applicable.
3. The members of a family normally refer to the applicant, his/her spouse, unmarried child / children residing with the family and the dependent parent(s) who are supported by the applicant and/or his/her spouse. For single-parent of 2 to 3 members, the ‘plus 1 factor’ in the divisor of the AFI formula will be increased to 2.

Level of Assistance

The AFI eligibility benchmarks for various levels of assistance in the 2020 / 21 school year are listed in the table below. **Please note that the AFI is not the average monthly income of a family.**

2020 / 21 school year – AFI Groups between (HK\$)	Level of Assistance
0 – 41,568	Full *
41,568 – 80,378	Half
> 80,378	Ineligible (application unsuccessful)

*AFI thresholds for full level of assistance for 3-member and 4-member families are \$50,323 and \$46,297 respectively. For 2-member single-parent families and 3-member single-parent families, they are regarded as 3-member families and 4-member families respectively for determining the AFI thresholds for full level of assistance and calculation of AFI.
