

ECF Saint Too Canaan College
Report on the Use of the Promotion of Reading Grant
2024-2025

Part 1: Evaluation of the Effectiveness

1. Evaluation of achievement of the objectives: (e.g. reading culture of the whole school, students' reading attitude, book borrowing situation and students' engagement in reading activities)

We would like to enhance student learning capacity through promotion of Reading across the Curriculum (RaC) by assigning extended reading tasks to students in different subjects with the Reading Booklet and Reading Time. The annual schedule of reading components of different subjects and activities for students has been recorded in the Reading Time schedule. However, the promotion of Reading across Curriculum and reading activities like visiting bookstores or public library may be restricted in the regular school timetable to facilitate students' deep reading and reading skills. Paper books and e-reading of different subjects can be integrated to the reading booklet and students can use the booklet efficiently to review reading progresses. Reading Scheme can be strengthened to encourage students to finish the tasks and get the reading awards.

Evaluation of strategies: (e.g. implementing diversified and motivating activities to promote reading, reading across the curriculum and home school co-operation)

Different reading activities are held during the Reading Days. Several activities are taken place and students are satisfactory especially towards the book exhibition and writer's seminar during the assembly. These popular activities are significant to promote reading atmosphere in the school. Various reading activities such as book exhibition, book crossing and Reading Time activities can be promoted in a larger extent to initiate students' reading interest and extended reading. More students, teachers and parents can participate in the reading activities during the Reading Days.
