S1 Day Camp

14TH AND 17TH JULY, 2025

Our vibrant S1 students kick off their STCC journey with teamwork and new friendships—having fun, building confidence, sharing laughter, and creating unforgettable memories with classmates and teachers!

Aprons on! Students and teachers cook up tasty food with teamwork and independence in the kitchen!

With focus and unity, students learn the value of respect and routine through discipline training—taking their first steps toward maturity.

Quick minds and sharp teamwork shine through as students conquer the memory game, piecing together clues and celebrating every success with confidence!

From paper to power! Students collaborate to build a tall tower with just newspaper and tape—creativity and teamwork at their best!

Let's see if we possess team spirit! Students work together to keep their tower steady—look at that determination!

Joyful energy fills the room as smiling faces meet for the first time, tackling challenges and games that spark friendships.

Guided by the kind teachers, students plan and build their tower with care and teamwork—proving strategy and unity go hand in hand!

Laughter fills the room as students and teachers enjoy a well-earned, self-made lunch, bonding over shared meals and warm conversations.

It feels wonderful to explore our new campus together, setting the stage for the exciting years ahead at STCC!

Yes, we can make delicious food too! Our budding chefs impress everyone with their culinary skills and kitchen teamwork at the Day Camp!

Sharing stories with new friends can be difficult, yet exciting—students open up and build connections in a supportive, fun atmosphere.

S1 Bridging Programme

25TH AND 29TH AUGUST, 2025

Our S.1 Bridging Programme prepares students for secondary school through regular lessons, fun activities, and the sharing of Christian values—assisting them to catch up with the school curriculum while allowing them to make new friendships, and helping them to build their confidence and faith.

Joyful laughter echoes as students bond over games and teamwork, creating lasting memories in their first STCC experience.

1. Excited students dive into library life by helping to organise books and choosing their first reads in this new and inspiring learning space.

2. Students express words through fun gestures in a dynamic workshop, showcasing creativity, laughter, and non-verbal teamwork.

3. Attentive and eager, our students listen closely, showing hearts ready to learn and grow in both wisdom and spirit.

4. Laughter and chatter fill the corridor as students enjoy snacks and gifts while making new friends during a cheerful break.

Smiles shine as students snap their first photos in the cozy corners of our brand-new school library.

1. Gathered in fellowship, students learn about gratitude, God's Word, and the values that will guide their lives at STCC and beyond.

2. Cameras flash as students meet their CMT mentors, excited and ready to take on the adventures ahead of them at STCC.

3. Guessing under pressure, students team up in a fast-paced word game where communication and quick thinking are key!

4. With sleeves rolled up, students enthusiastically relocate books and explore their new campus with energy and excitement.

A cozy corner to relax, chat, and play—students enjoy calm moments in the Chill Zone with friends, and play games.

Quick reactions, big laughs! Students test their emotional reflexes in a high-energy, enjoyable challenge.

1. Huddled together on the floor, we dive into paper crafts, turning creativity into collective art.

2. We stand united, hands ready, as we challenge gravity and coordination in 'The Steady Forest'.

3. Sitting in sync with joined legs, we master balance and trust in the playful 'Giant Feet' challenge.

S4 Orientation Camp

5-6TH SEPTEMBER, 2025
(2 DAYS, 1 NIGHT CAMP)

Students take part in a series of exciting team-building challenges, including cooperative games and problem-solving tasks, fostering collaboration and teamwork during an overnight camp.

Students launch paper airplanes during the closing ceremony, symbolizing their goals soaring to new heights together.

Working with cardboard, each group constructs buildings to contribute to a shared castle city—a hands-on project that strengthens class unity.

Ideas flow as we sketch and design together, guided by encouragement and a shared vision.

SU AGM

12TH SEPTEMBER, 2025

During the SU AGM, the newly elected cabinet presented their comprehensive year plan and engaged in a rigorous Q&A session where students challenged and refined their vision for leadership.

School Picnic

6TH OCTOBER, 2025

The school picnic was a breath of fresh air. Making memories outside the classroom with a great crew. Nothing beats a day of pure fun!

Students enjoy a peaceful afternoon on the coast, exploring the sandy shoreline and wading through the calm waters.

Students and teachers gather around the grill, enjoying a relaxed afternoon of cooking and conversation in a welcoming outdoor picnic setting.

Students and their form teacher gather for a lively barbecue, enjoying freshly grilled food and strengthening friendships in a relaxed outdoor setting.

Students gather at the campsite hall for an engaging indoor session. They take turns at the microphone to lead their peers in collaborative activities and lively performances!

Form teachers and students share a moment of relaxed camaraderie and friendly competition over UNO card games at the campsite.

Students and teachers enjoy a classic picnic on the lawn where playful accessories and scenic city views create a joyful atmosphere.

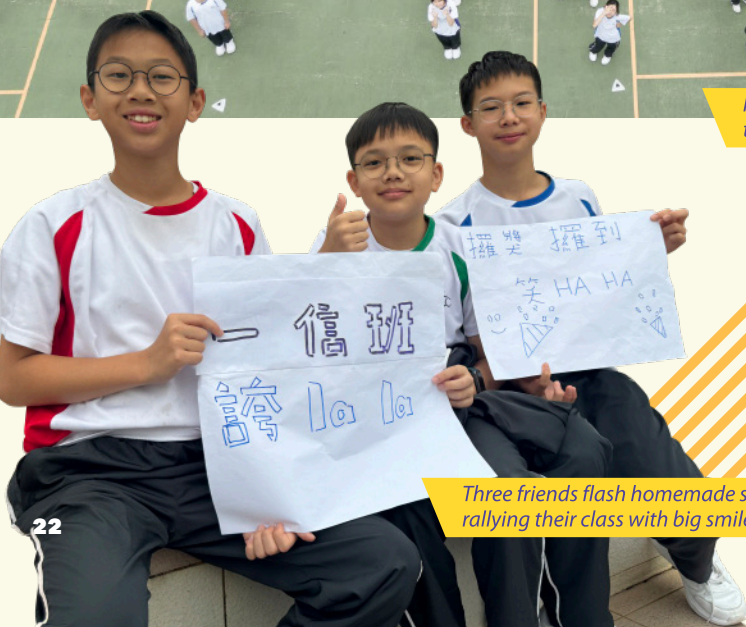

S1 Activity Day

28TH OCTOBER, 2025

Our S1 students have a blast at the interclass games! They compete with spirit, cheer loudly, and form their class names for a fantastic photo.

Picture time! Each class spells its short name on the court, posing proudly in neat formations.

Three friends flash homemade signs with a thumbs-up, rallying their class with big smiles and laughter.

1st Reading Days

6-7TH NOVEMBER, 2025

Reading Days this year highlighted the theme of Green and Nature/ Environmental Protection, filling the campus with creativity and community spirit. Students crafted leaf-vein bookmarks, explored titles at the book exhibition, and joined spirited inter-class Kahoot and inter-house Kahoot sessions. Stories were shared through book donations and book crossings, while S1 morning reading and diverse Reading Time activities enriched the school's reading culture.

Together, these events deepened students' love of books and underscored the importance of sustainability.

Focused students take part in a leaf-vein bookmark workshop, eager to learn new skills. The screen showcases exciting techniques that inspire creativity and collaboration.

1. In recognition of their achievements, student representatives from 3 Love receive awards for their outstanding performances in the inter-class Kahoot competition. Their enthusiasm for reading earned them success, which is warmly appreciated by their peers.
2. Young artists proudly display their creations during a fun leaf-vein bookmark workshop. The joy of teamwork and creativity fills the air as they share their delightful designs.
3. With bright smiles, two girls proudly present their leaf-vein bookmarks—creativity and teamwork shining through every design.
4. Classes and students read articles about Green and Nature during the reading time by scanning the QR codes given.

Students from the four Houses compete in the Kahoot activity, which strengthens their teamwork and builds enthusiasm for reading among them.

Celebrating their victory, the winning House proudly poses with the championship award. Their teamwork and dedication to reading shine through as they represent their House with pride.

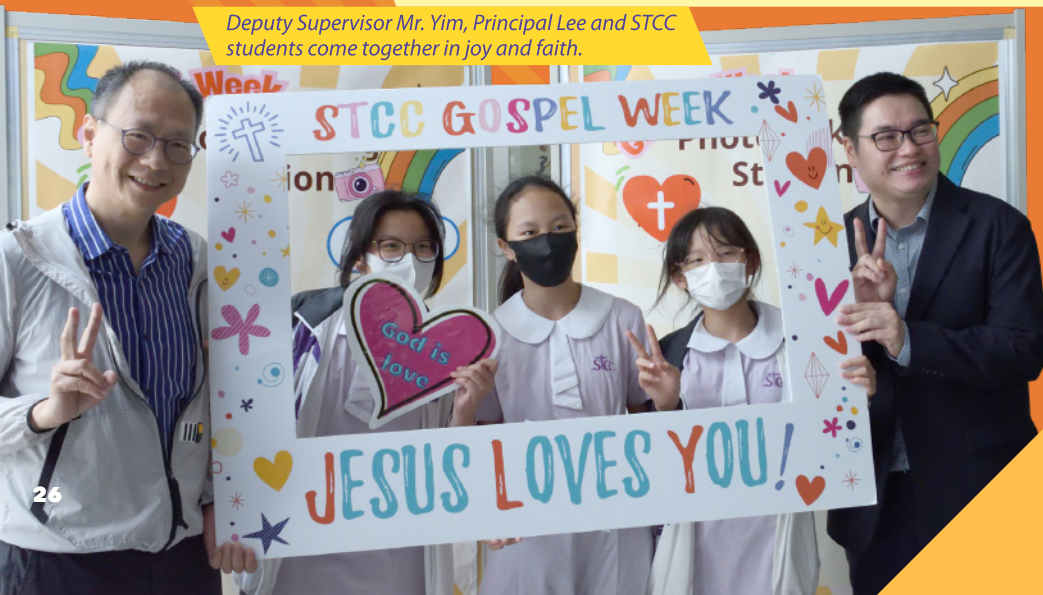

Students express great excitement as they participate in the engaging games organized by the ACM.

Gospel Week

10-13TH NOVEMBER, 2025

The annual Gospel Week, themed 'Embrace His Love, Together We Shine', was held from November 10th to 13th, 2025. In addition to long-cherished activities such as the Gospel Café, the Bible Quiz Competition, teachers' sharing videos, and a mini-concert, the event featured booths that were warmly received by both students and teachers. The assembly, led by the dynamic guest, the Hong Kong Association of Christian Music Ministry Limited (ACM), conveyed the grace of God through engaging games, uplifting music, and heartfelt sharings.

Other Learning Experience Day

30TH JANUARY, 2026

Beyond the classroom, OLE Day empowers students to explore diverse interests. From university visits to immersive roller-skating and team-building, these hands-on activities foster personal growth and create unforgettable, real-world learning experiences.

A valuable visit to HSUHK, providing students with insights into professional degree programs and future career paths.

History comes alive at the Palace Museum as students marvel at treasures from Egyptian civilizations and their ancient mysteries.

Strategy and adrenaline collide at War Zone, where students practice leadership and communication during intense tactical games.

At HKMU, students attend informative seminars to better understand the diverse learning experiences offered in tertiary education.

Students visit Lingnan University to explore campus life and learn about the unique advantages of a liberal arts education.

Students enjoy a cinematic journey at Festival Grand Cinema, exploring storytelling and visual arts through film appreciation.

Students find their balance at D2 Place, enjoying a nostalgic and energetic roller-skating session.

S.3 Course Selection Orientation

2ND FEBRUARY - 6TH MARCH, 2026

Each year, our curriculum team hosts Course Orientation Month for S3 students, guiding them toward a deeper understanding of the senior form curriculum at STCC. Beyond introducing the design, it's also a valuable chance to share practical tips on choosing the right electives and, most importantly, to inspire students to reflect on their future academic journeys.

We also invite the representatives from different tertiary institutions to introduce the curriculum of Applied Learning to our students.

Apart from teachers, senior form students also play the role of 'little teachers,' sharing their experiences and what it takes to manage specific electives.

Senior form students share their tips on choosing electives with S3 classes. It is hoped that their experience can be useful to their junior form counterparts.

At the subject expo, students have the opportunity to attend introductory sessions for the electives they are interested in studying. It is wonderful to see how attentively our students are listening to Mr. Yuen.

Lunchtime can be a time to explore the future. That's why some S3 students would choose to attend the Taster Programme to learn more about the electives they are interested in.

The Taster Programme offers students the chance to attend a lesson in an elective they are interested in. Here, our Mathematics Panel Head, Mr. Wong, is pictured teaching the very first M1 lesson to a group of eager students.

Parents' Night is the prologue to our course orientation activities. Once again, we have a full house in the school hall.

Singing Contest

6TH FEBRUARY, 2026

What an amazing show! Our Annual Interclass Singing Contest was a huge success, with incredible energy. Each class showcased passion and creativity, from touching harmonies to vibrant dance performances. It perfectly captured our lively school spirit. Congratulations to all classes! Your effort and talent have given us unforgettable memories. We are extremely proud of you all!

1. Everyone participated actively and gave their full effort in the "Salute to the Workers" inter-class relay race.

2. Students proudly displayed their hand-painted lacquer fans, appreciating the beauty of Chinese tradition and their role in preserving it.

3. In the relay race, students simulated labour actions such as carrying and sweeping, experiencing the hard work behind different occupations.

4. The school janitors were invited to serve as judges and guests, and the entire school paid tribute to their daily dedication.

National Security Education Day

15TH - 22ND APRIL, 2026

This series promoted national education and cultural security through a labour-themed relay race and a lacquerware workshop. Students learned to respect workers and protect intangible heritage as part of national security.

The workshop emphasised that safeguarding cultural security means protecting the nation's unique identity and spiritual roots.

Career Days

16TH - 17TH APRIL, 2026

During the annual Career Days, students explore their potential and future pathways through game booths, sharing sessions, and different form-based workshops.

A kindergarten teacher shared a glimpse into her classroom by teaching students how to apply paint through stencils to create beautiful, traditional Chinese festive decorations.

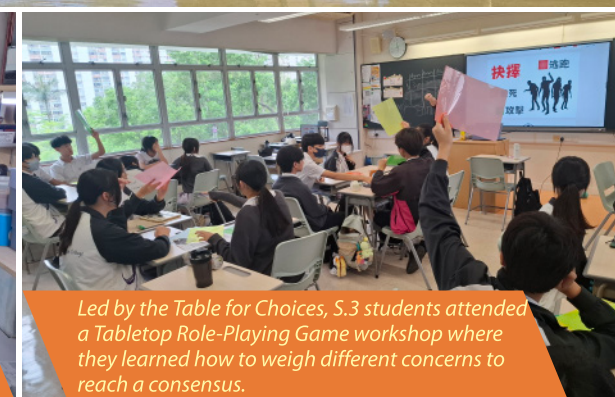

Interviewed by our Career Prefects, Mr. Hui Chun Kiu, shared his journey of discovering his career path and encouraged fellow schoolmates to be diligent and cherish every opportunity during the school assembly.

Some S.4 students try out pet grooming and nail clipping from a professional pet groomer's demonstration at the Career Expo.

Our career prefects visited the Harbour City back office to gain firsthand insight into the Engineering and Customer Service departments.

Led by the Table for Choices, S.3 students attended a Tabletop Role-Playing Game workshop where they learned how to weigh different concerns to reach a consensus.

During our game booth session, students practiced two key skills: unity and commitment, by collaboratively setting a target and playing shuttlecock kicking.

In the game booth session hosted by the Career Prefects, students cooperated to complete the task of making the paper cup stand still, highlighting the importance of 'unity'.

After watching the demonstration by our guest speaker, the S.4 students tried out pet grooming in groups.

IC Week

4TH - 8TH MAY, 2026

From 4th May to 8th May, the English Department hosted its annual International Culture Week, spotlighting the rich heritage of Spain. The week was packed with dynamic activities that brought Spanish culture to life - ranging from traditional festivals and lifestyle showcases to culinary tastings and dance workshops. Aimed at broadening our students' cultural horizons, the event was a resounding success, leaving both students and teachers with wonderful memories of an enriching week.

PSH Day

15TH MAY, 2026

This year's PSH Day explored 'The Development of Public Housing in Hong Kong.' Students transformed board displays into vivid stories of our city's housing journey, analyzing real community case studies to show knowledge in action.

More than an exhibition, the event bridged classroom learning with local heritage, deepening empathy and strengthening civic identity.

Geography students present their localized neighborhood case study on the urban characteristics and community services of Shun Lee Estate.

1. Student MCs take the stage during the weekly assembly to introduce the history of Hong Kong's public housing development.

3. Students actively engage with a peer-led presentation explaining economic efficiency and resource allocation in local housing policies.

2. Students present their case studies on Mainland public housing policies, applying their classroom knowledge to real-world data during the lunch-time exhibition.

4. The Economic Society team proudly displays their academic posters showcasing how public rental housing serves as a social safety net.

A History and Chinese History group guides their peers through a timeline showing how historical crises shaped structured social stability.

Principal Lee, teachers and students gather together to support and celebrate the successful implementation of the student-designed PSH Day exhibition.

STEAM Days

21ST - 22ND MAY, 2026

The Fusion Lab combines Arts, Science, Maths, and IT to show students the exciting world of science. During our weekly assembly, students explore new technologies like NFTs and Virtual Reality. By mixing creativity with technology, it helps everyone discover and learn more about the STEAM world.

Maths Days

28TH - 29TH MAY, 2026

During Maths Days, the Mathematics Department transformed numbers into excitement across assemblies, classrooms, and even lunchtime activities. Students dived into strategy and logic through games like 24, Ubongo, Bloxorz, One-Line Drawing, Rummikub, and Math Bingo. Each challenge stretched their analytical thinking and problem-solving skills, while the lively atmosphere turned mathematics into a shared adventure. By the end, students walked away not only with sharpened minds but also with lasting memories of how fun and inspiring math can be.

Questions in Maths Day assembly sparks curiosity, strategies, solutions, and teamwork in every equation, turning learning into inspiration!

"I appeal to you, brothers
and sisters, in the name
of our Lord Jesus Christ,
that all of you agree with
one another in what you
say and that there be
no divisions among
you, but that you be
perfectly united in
mind and thought."

Sports Day

4TH - 5TH DECEMBER 2025

We sincerely thank God for His protection, which allowed us to successfully celebrate two incredible days of competitions at Sports Day. This event was made even more memorable by the beautiful weather, having fewer student injuries than in previous years, and the enthusiastic involvement of our parents and alumni. With great pride, we shattered ten records!

STCC assemble!

As an enemy and as a friend.

Parents are our greatest supporters at the annual Sports Day.

Real friends are always going to be there by your side, even at times when you tell them to leave.

Dr. Louie Hung Tak Lobo shares his guidance with our STCC students.

Never look for ways that divide us, but always for ways that unite us.

House of John! Our Champion on Sports Day!

Even though this year's Sports Day took place at a different location, our students radiated excitement and truly exemplified the spirit of unity that makes STCC so special. Together, we created lasting memories and deepened our sense of belonging. With every cheer, every race, and every shared moment, we witnessed the power of STCC Assemble — a community coming together as one, stronger and prouder than ever.

This year, we have a charity run to raise funds and send blessings to residents affected by the Tai Po Fire Incident.

We are profoundly grateful to everyone who contributed and supported us — your presence and encouragement made all the difference!

Info Day

22ND NOVEMBER, 2025

It was a wonderful day for STCC students who proudly showcased their talents and achievements. Thousands of parents and students had the chance to learn more about our school, meet our teachers, and experience the spirit of our community. This celebration truly embodied the spirit of STCC Assemble — students, parents, alumni, and teachers coming together as one family. We were so proud of our students — well done to all who performed and participated!
